Subscribe Co-Exhibitor

If any independent company is doing business on the rented exhibition space (booth, room) from the main exhibitor, it should be registered as co-exhibitor at 360.00 € each. It is of course allowed to use any product for own demonstrations, even if it is not out of the own portfolio, but in such cases no promotion is allowed by using posters, price list, brochures or human resources from foreign brands.

Products at the Tonmeistertagung

Rented exhibition space, rented stands, demo cabins and conference rooms at the CCD in Duesseldorf-Germany

There is a general plan from the CCD Düsseldorf on which all areas of the Congress Center was dedicated shown, on which exhibition space or exhibition stands can be booked.

These areas can be viewed on a TMT master plan. The indicated Surfaces have individually different widths and depths. The depths mentioned there are not variable.

The power connection for exhibition areas, prefabricated stands or the demonstration cabin must be ordered separately.

This is not required for booked conference rooms in the CCD.

Price advantage for VDT members.

Sustaining VDT member companies will get a **discount of 8%** on rented space or CCD demo rooms.

It does not apply for rented products from third parties like rented stand, demo cabin or any services and additional equipments.

Surcharge

R = Rowstand = one side open

C = Cornerstand = two sides open

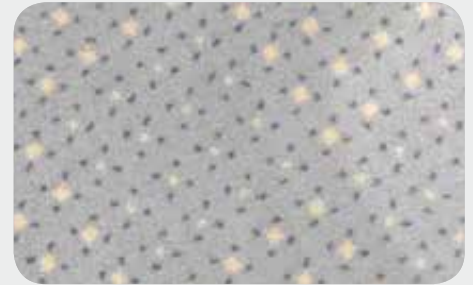

H = Headstand = three sides open

I = Islestand = four sides open

Rented space and stands ➔

1. Empty space

Color of the existing CCD carpet

Please order first the space, even if you would like to book a rented booth or demo cabin (not necessary if you would like to book a conference room).

The unbuild space within the CCD will always have the fixed grey carpet but no boundary walls. Such space is available up from 6 m². The booked space must be build up with your own stand or you should order a following rented stand or demo cabin.

Price:

6 up to 18 m² up from 269.00 €/m²

19 up to 49 m² up from 255.00 €/m²

51 m² and more, up from 239.00 €/m²

I hereby order:

m² unbuild space

- as rowstand
- as cornerstand
- as headstand
- as islestand

Comment:

note for building up the space:

If you order such unbuild space to build up your own stand, please make sure to complete all legal requirements. That includes the approved height and the obligation to use only fire proofed materials.

In any case, latest six weeks before the event, a drawing plan of your booth with all details regarding the used materials and dimensioning must be handed over to the organiser.

It is not permitted to build up any stand without the permission of the organiser.

4. Demo Cabin 24 m² (Please book at first the unbuild space)

The demo cabin is all-round closed and will be placed within the CCD on the available carpet.

The damping is >30db/A and includes the following items:

- 24 m² = 6.00 m long, 4.00 m wide, 2.80 m high
- Walls are double sided, filled with damping material
- Ceiling and two corner with perforated elements as acoustical treatment
- Two floor lamp and four wall mounted power sockets
- One „studio-look-alike“ window (to follow the activities within the cabin)

Note:

When ordering the power connection must take into account that the air conditioning 2.5 kW required. A standard connection with 3 kW is not enough.

I hereby order the **24 m² demo cabin** (in addition to the ordered unbuild space)

pcs. at 5.485.00 €
